# Customer Reviews

## Ciara Flanagan, Jones Engineering - Executive Management Meeting

14th October 2024

Thank you and your team for hosting our Executive Management meeting last Monday 7th October. The Barn was well-suited for our needs, and I particularly appreciate Noel's assistance with the setup on the Sunday/Monday. His presence throughout the day was invaluable, as he was readily available to address any last-minute requests. Overall, the day went smoothly, and we have received positive feedback re the space. Some people found it very calming and different which I think is a positive. Timely turnaround of the food and the room setup were both commendable. We look forward to the possibility of hosting future meetings at The Club Hotel at Goffs.

## Evanna Cosgrove, Jigsaw Management - Renault AUSTRAL Media Day
